

**2017 Western Force
Corporate Hospitality**

Introduction

Our Corporate Hospitality Packages provide you with the opportunity to network with other businesses, entertain and reward your clients with an experience they will never forget. Whether in the Chairman's Lounge, Western Suites, our popular Black Swan Bar or one of our open boxes, we have a variety of packages that can be tailored to meet your needs.

Based on feedback from our clients in 2016, we have enhanced our first class package which includes a price restructure and a revamped menu and upgraded beverage package.

The team is bolstered with a new look coaching panel and players, including Wallaby hooker Tatafu Polota-Nau, Gloucester centre Billy Meakes and former-NRL try scoring machine Curtis Rona.

nib Stadium is a world class rectangular venue that brings you closer to the action, fantastic for entertaining your clients and providing a truly memorable experience.

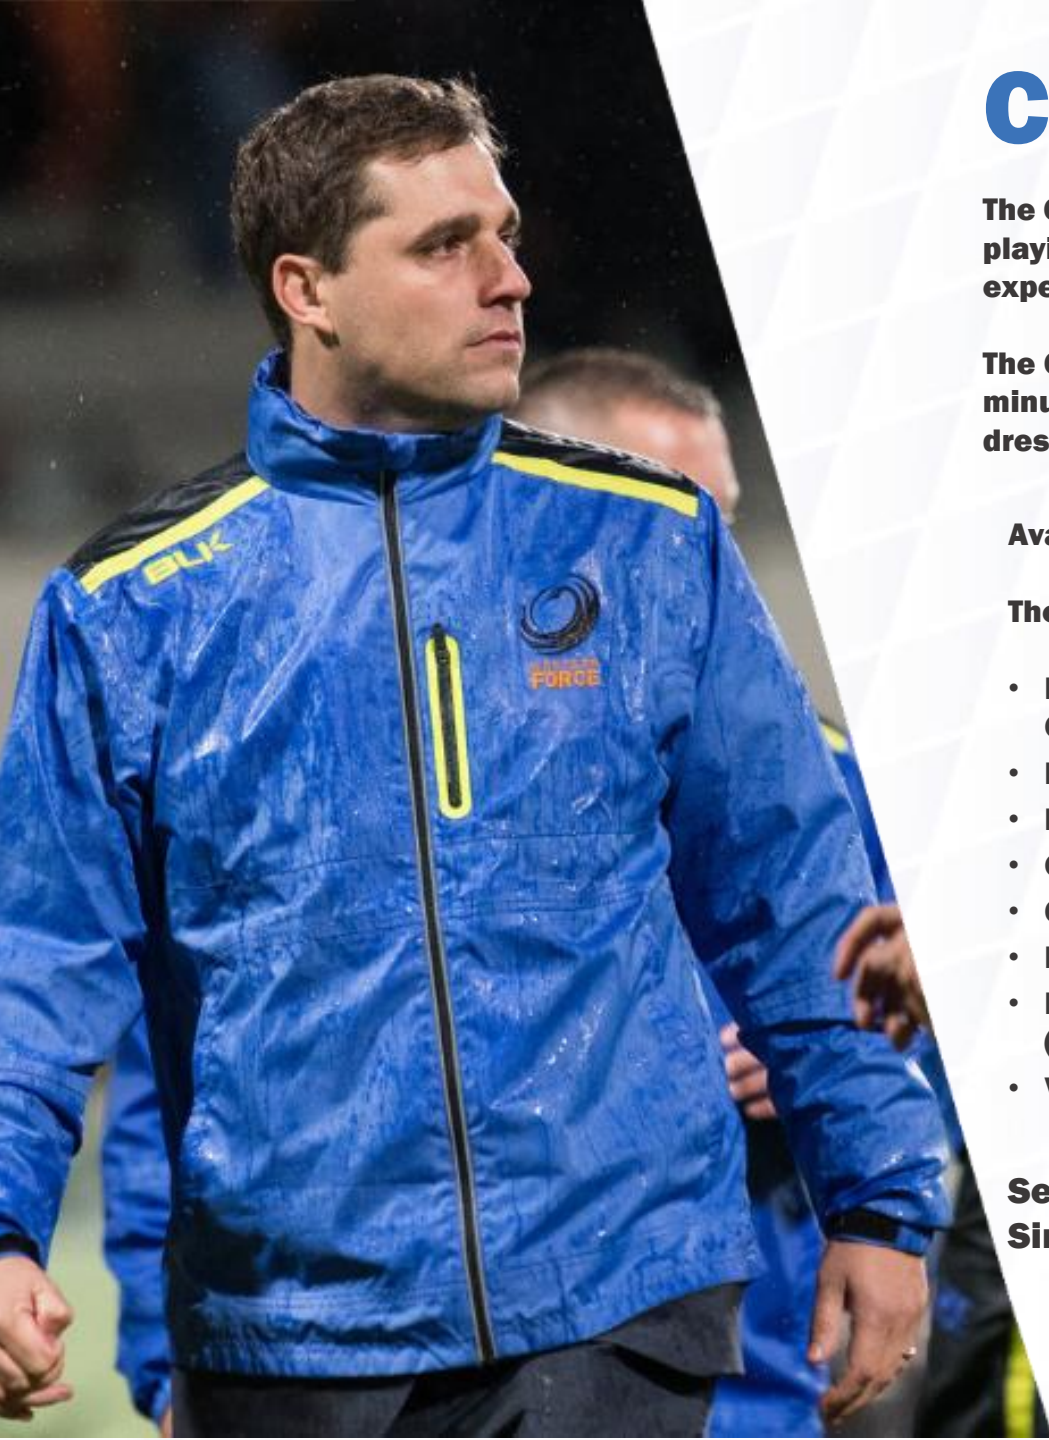

We look forward to sharing the season with you and welcoming you to the Western Force in 2017!
